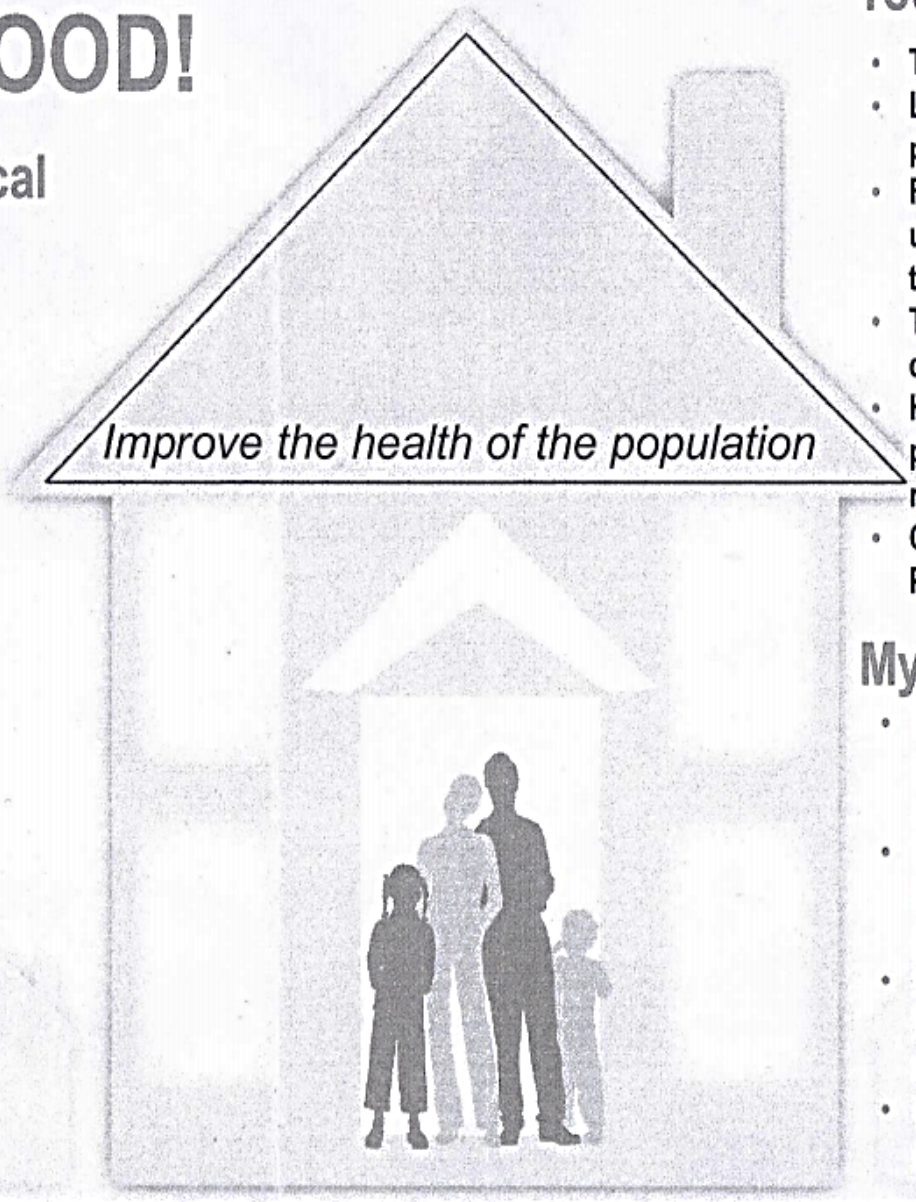
WE ARE PART OF YOUR MEDICAL NEIGHBORHOOD!

Patient Centered Medical Neighborhood

A Patient Centered Medical Home (PCMH) is a team approach to providing comprehensive healthcare to patients in a high quality and cost effective manner.

The Medical Neighborhood is an expansion of the PCMH model connecting primary care physicians, specialty practices, hospitals, and other community health services to work together more efficiently in meeting the specific needs of each patient.



Your Role As the Patient...

- Take part in planning your care
- Learn about wellness and how to prevent diseases
- Follow the care plan that is agreed upon and receive the recommended treatment
- Tell us any prescribed or over the counter medications you are taking
- Have all other physicians who take part in your care send us a report regarding your visit to them
- Continue to see your Primary Care Physician for preventive services

My Role As the Physician...

- Provide you with care that meets your needs and fits with your goals and values
- Work closely with your Primary Care Physician and other Specialists to provide coordinated care
- Ensure efficient flow of information, including timely consultations, referrals and test results
- Support enhanced access and patient-centered, high quality care
